Questions in a separate list to be asked and their replies to be made.

- 4. Non-Government Business.**

I. Resolution No.5 by Agha Syed Liaqat Ali, Member Provincial Assembly.

Whereas, CNG Policy for Balochistan is very disappointing which is evident for the comparative study of the following table.

Province	Gas Production	Use of CNG and Total Production of Gas in the Province	No. of CNG Stations in the Province.	Perspection
Punjab	204MMCDF	180MMCDF (84.1%)	2169	66%
Khyber Pakhtunkhawa	372MMCDF	50MMCDF (16.39 %)	550	16.5
Sindh	287MMCDF	77MMCDF (3%)	601	18%
Balochistan	808MMCDF	3MMCDF (0%)	18	0.5%
Total	4259MMCDF	310MMCDF (103.49 %)	3338	

It may be mentioned that despite production of Balochistan the price of Sui gas in this Zone is 70-93 rupees per kg while in Lahore and Karachi its price is 64-90 rupees, which is a great injustice to the province of Balochistan. At present 5 CNG stations have been completed in the province but in absence of any exemption from government's ban and OGRA's willful negligence these stations are still lying closed, depriving the owners of these stations of starting their business. This House therefore, calls upon the provincial government to contact the Federal Government that permission may be given to make these CNG stations operational, whereas, CNG rates may be brought at par with other provinces of the country, so as to end this discriminatory attitude with Balochistan.

II. Resolution No.8 by Mufti Gula Khan Kakr, MPA

This House calls upon the Provincial Government to contact the Federal Government that due to poor condition of the road from Dera Ismail Khan to Dera Ghauspur road is not useable for traffic and this situation is causing great problems for the people of the province in making access to the other provinces. Keeping in view the situation of the Dera Ismail Khan road via Dana Sar may be prepared, repaired and expanded. So as people of the province could find easy access to Punjab and Khyber Pakhtunkhwa without wasting of any time.

- III. Joint Resolution No.11 by Mir Amanullah Notezai, Sardar Muhammad Aslam Bizenjo, Mir Mujeeb-ur-Rehman Muhammad Hasani, Rehmat Ali Baloch, Mir Haji Akbar Askani, Mir Abdul Karim Nousherwani, Shaik Jaffar Khan Mandokhel, Mir Khalid Khan Langove,**

Ghulam Dastageer Badeni, Mir Abdul Majeed Abro, Mir Izhar Hussai Khoso, Sardzar Dur Muhammad Nasar, Santosh Kumar, Mohtarma Samian Khan MPA and Mir Abdul Quddus Bizenjo, Deputy Speaker, Balochistan Assembly.

Whereas, Recodiq Copper and Gold project is underway in Chagai under the supervision of Samar Mubarak Mand and the local people have the first right of employment in this project. However, in contrary 80 percent employees on different posts in this project have been appointed from Punjab, which is a great injustice to Balochistan Province. Moreover, strict terms and conditions have been set for new appointments which is tantamount to deprive the people of the area from these jobs.

Similarly, representatives of this area have also been kept uninformed from this project. This region is rich in natural resources but its people are leading a vary poor life due to unemployment and poverty. This House, therefore, calls upon the provincial govt: to contact the Federal Government that 80 percent employments in this project may be allocated for the local people in particular and people of Balochistan in general.

- IV. Joint Resolution No.12 by Shaikh Jaffar Khan Mandkhel, Mir Amanullah Notezai, Haji Akbar Askani, Mir Azhar Hussain Khoso, Mir Abdul Majid Abro and Rehmat Jamali, MPA.

Whereas, Jafferabad, Naseerabad and Jhal Magsi are considered to be Agricultural districts and at present 10 lac Acre of land is cultivated I these areas through Kheerthar and other canals, while after construction of Kachhi Canal 20 lac acre of land could be cultivated, but despite this fact sugar mills have not been setup in the said areas.

This House, therefore, calls upon the Provincial Govt: to contact the Federal Govt: that setting up of Sugar Mills in Dera Allahyar, Sohbat pur, Osta Muhammad and Dera Murad Jamali areas may be allowed.

- V. Resolution No. 13 by Haji Gul Muhammad Dummar MPA.

Whereas, business of interest is on tis people in the Province in particular and in Quetta in General, which is totally against the spiriting Islam and open war declared on ALLAH Almighty. While on the other hand Muslims involved in this heinous business are not up against each other but thousands of families have also been destroyed due to this business. This situation has caused great anxiety and tension in the people of the Province.

This house calls upon the Provincial Government to contact the Federal Government to take necessary steps to prevent this heinous business.

5.

i. General discussion on Educational degradation in the Province.

ii. Discouragement of tendency of Absents among Govt: employees.

(Muhammad Azam Dawi)

Secretary,

Dated: 28th August, 2013.
