Recently Khanozai levies check post came under attack where levies men tried to repulse the attack, resultantly a levies Sepoy Abdul Razaq and cook Noorullah embraced martyrdom, one of the attacker was killed while the rest managed their escape good. Similarly, in Bostan check post attack Khasadar Abdul Fatah son of Saleh Muhammad and at Karbala check post attack Niamatullah were martyred. While, Ghulam Muhammad also laid down his life during polio campaign. Moreover, a number of levies and policemen have also been in district Pishin. However, no step has yet been taken by the government in this regard and if this situation continues to persist, terrorists could take control of police stations in coming days. This House therefore calls upon the provincial government that to cope with the menace of terrorism levies check posts in rural areas may be established on modern lines besides providing the officials with latest weaponry. Furthermore, the bereaved families of the martyred officials may also be provided compensation and government jobs.

Whereas, huge deposits of natural gas were found in the province and natural gas was provided to every nook and corner of the country. However, the administrative offices of the company have been established in Karachi due to which people of the province have to proceed to Karachi for their complaints and its redress, which results in wastage of their precious time and money both. This House therefore calls upon the provincial government to contact the federal Government that the Head Offices of Sui Southern Gas Company may be shifted to Quetta, so as sense of deprivation among the people of the province could come to an end and their complaints with regard to natural gas issues could be addressed at their doorstep.
