1.The Balochistan Levies Force Bill 2010(Bill No 5, 2010)

- i) The Home Minister will move Balochistan Levies Force Bill 2010, (Bill No. 5, 2010).
- ii) The Home Minister will move that Balochistan Levies Force Bill 2010 (Bill No 5, 2010) may be passed.

JOINT RESOLUTION NO.54 BY Dr.FOUZIA MARRI,MOHTARMA UZMA PIARALIZAI-ADVISORS TO PM AND MOHTARMA SAMINA RAZZAQ-MPA.

Whereas all the developed countries across the globe have provided special incentives to their senior citizens for their welfare and well being and taking benefits of their experiences. Senior citizens in Pakistan are also an asset and lots of benefits can be taken from their skills, abilities and experiences. It is learnt that government intends to carry out legislation to provide incentives to senior citizens; this house therefore calls upon the provincial as well as the federal governments to ensure the proposed legislation as soon as possible, so as provision of incentives to the senior citizens could be given a legal cover.

JOINT RESOLUTION NO. 55 BY HAJI MUHAMMAD KHAN TOR,ENG.ZAMRAK,JAN ALI CHANGEZI AND MOHTARMA RAHEELA DURRANI-PROVINCIAL MINISTERS.

Whereas 40 percent of country's population is living below poverty line and majority of them are settled in the rural areas. A large part of Balochistan economy is based on agriculture or cattle farming and this farmer class, which fulfills the agricultural needs of the province by growing crops and vegetables, is considered to be a backbone in the economic activities of the province. However, this important segment of society is still backward and deprived of basic facilities like education and healthcare. They are even deprived of proper shelter, clean drinking water, food and clothes as per their needs. There exist no laws or policy in the country for protection of rights and wages of this class. This house therefore calls upon the provincial government to make contact with the federal government to carry out legislation for protection of rights and wages of this labour class so as this class may not fall victim of exploitation any longer.

JOINT RESOLUTION NO. 56 BY MOULVI ABDUS SAMAD AKHUNDZADA AND MAOULVI MUHAMMAD SARWAR MUSAKHEL.

That the centre has been denying the reservations of Balochistan regarding allocated quota in the federal jobs and admissions in different institutions in the centre and abroad. This can be gauged from the fact that recently in 2003 the federal education ministry govt of Pakistan in collaboration with the World Bank and Department for International Development launched an Assistance system. Under this project National Coordinator was elected from Balochistan on merit, while recognizing the performance of the said officer the federal education ministry nominated him for Phd in Australia in 2009 while admission was made in Melbourne University through the federal education ministry. World Bank bore all expenses of the said university. However only 72 hours before his departure the federal education deptt cancelled admission of the said officer in Melbourne university without giving any reasons, which is a sheer injustice to Balochistan province. This house, therefore calls upon the provincial govt to contact with the federal govt that admissions of officers from Balochistan in Phd should be restored forthwith and arrangements should be made for their departure abroad as soon as possible.

Secretary
Balochistan provincial assembly.
Dated 3rd April, 2010.
