### Resolution No. 63 by Ainullah Shams (Minister for Health)

Whereas that Innovative Investment Bank which is a sub branch of Crescent Investment Bank has established its branches at Karachi, Lahore and Islamabad, where people of Balochistan have also made investments. Now it is learnt that the said Bank has withheld people's all investment including their profit. For this they present the excuse that until and unless their bank is merged with National Bank its Investment along with profit will remain withheld.

This house therefore calls upon the Provincial Government to contact the Federal Government especially requesting President and Prime Minister of Pakistan to take notice of the situation and by saving the people of Balochistan from this fraudulent activity issue directives to SECP Chairman and the concerned officers of the said Bank to return investment to the people of this backward Province forthwith.
