  - a. **Resolution No81 by Raeela Hameed Khan Durrani, Nasreen Rehman Khetran, Provincial Ministers and Shahida Rouf, Advisor to Chief Minister.**

Whereas train was the only cheapest mean of traveling from Quetta to Peshawar, Karachi and Lahore for the down trodden people of Balochistan, but two important trains of the province Quetta Express and Bolan Express have been closed, while only Jaffer Express is operational. Moreover, Railway fares have been increased for the third time in this year making journey by the people from train very difficult.

This House, therefore, calls upon the Provincial Government to contact the Federal Government that by providing oil for the closed trains of Balochistan as per their need, those trains should be revived, while fares may also be fixed in the lust interest of people of Balochistan, so as their miseries could be reduced.
