Resolution No.2 by Mufti Gulab Khan, Kakar, MPA.

Zhob is a backward area and in the absence of a Cadet college students of this area have to take admission in other cadet colleges of the Province, which is creating sense of deprivation among the students of Zhob, while this is also a reason of wastage of their precious time, which is tantamount to a great injustice to them.

This House therefore, calls upon the Provincial Government to take steps to establish a cadet college in Zhob on immediate basis so as sense of deprivation among the students of the area could come to an end.

Resolution No.14 by Shaikh Jaffar Khan Mandokhelm MPA.

Whereas, with the approval of Greater Water Supply Scheme to fulfill the needs of Quetta, Mangi and Helak dams had also been approved. But in Quetta only more than 15 hundred kilometers pipeline is laid down. The said scheme cannot fulfill the water need of Quetta city.

This House therefore, calls upon the Provincial Government to start construction of Mangi and Helak Dams immediately to fulfill the water requirement of Quetta city.

Resolution No.15 by Haji Gul Muhammad Dummar, MPA.

Whereas, health care facilities in Balochistan are in a very poor condition rampant sale of fictitious medicines, medical stores without licenses and quackery is an ample proof of the negligence of health department. People of the Province have become hostage to Quacks. A few days ago a death incident also occurred in Sanjavi due to Sub-standard medicines. Grocers have become doctors and Druggists while no one pays any heed to this apathy playing with the life of poor people and illegal practice has become a profitable business, which is a great injustice to the downtrodden people of the province.

This House therefore, calls upon the Provincial Government to devise a comprehensive strategy against this horrendous business, so a better health care facilities could be provided to the people.

Resolution No.16. by Manzoor Ahmed Khan Kakar, MPA.

Whereas, Mari Petroleum and Gas company limited is laying 12" dia pipeline for supply of Gas to Quetta from Zarghoon Gas Field through a very lengthy and unsafe area, which is not in the public interest. While the contract of this Gas Pipeline has also been awarded to a non-local contractor, which is an injustice to the local contractors. Moreover, the said company has neither checked out any proper strategy for gas royalty to the local people nor any jobs have been provided to the local people in the company, which has created great anxiety and depression among the people of the area.

This House therefore, calls upon the Provincial Government to contact the administration of Mari Gas Company Limited that the said pipeline may be laid down through the short route via Dalwani Tor Shor Hanna to Quetta, while its contract which has been given to a non-local contractor may be resolved at once and be given to local contractors.

While, Gas royalty and jobs may be given to the local people.
