**Condemnation Resolution by Jan Ali Changezai, Provincial Minister for
Quality Education.**

On 20th September, 2011 a Bus taking Soul people belonging to Ahle Tashii sect to for the purpose of Ziarat was stopped by some unknown persons, who dragged the passengers out of the Bus and killed them ruthlessly after their seeing identification. A video film was also made of the incident. Irony is that the area administration and Police were seen nowhere, which we strongly condemn.

This House calls upon the Provincial Government that people involved in this ghastly incident should be taken to task.
