Message of the Honorable Speaker

I am pleased to note the publication of the Annual performance Report of the Provincial Assembly of Balochistan for the 1st Parliamentary Year. The Report illustrates landmark achievements during the year and provides a cursory review of Business of the House, Committees and Secretariat. This report manifests a strong desire of the Provincial Assembly to facilitate parliamentary openness, transparency and citizen's access to parliamentary information. During the 1st Parliamentary Year, the Members of Provincial Assembly have sincerely endeavored to truly represent people's aspirations and meet their expectations. As custodian of the House, I am determined to foster sustained, participatory and informed engagement between citizens and their elected representatives. I believe that such an engagement will facilitate the Provincial Assembly to continue the legacy of reforms-driven public interest legislation and oversight in the coming years.

CAPT. ® ABDUL KHALIQ KHAN ACHAKZAI
Speaker

Message of the Honorable Deputy Speaker

In an era where misinformation and superficial reporting are rampant, a parliamentary performance and achievement report stands out as a beacon of reliable, in-depth political journalism. By promoting transparency, educating citizens, and fostering democratic engagement, it can play a pivotal role in strengthening our democracy. Readers are encouraged to support and subscribe to such publications, advocate for their creation, and actively participate in the democratic dialogue they facilitate.

The public at large are keenly interested to know about parliamentary proceedings and other relevant activities. Indeed, this report shall definitely help to provide for up-to-date knowledge of efforts resulting to bring uplift in the life of masses through parliamentary forum. I, as the Custodian of this august House, appreciate this venture and appreciate the staff of Balochistan Provincial Assembly Secretariat for this successful endeavor.

Ghazala Gola Begum
Deputy Speaker

Message of the Secretary

Parliamentary candidness forms the bedrock of informed parliamentary democracy. The Provincial Assembly Secretariat is committed to enrich public understanding of the parliamentary proceedings. This publication of the 1st Annual Report is intended to strengthen the engagement and bridge the gap between the people and the Assembly. The publication of this Annual Report is in-line with Article 19-A of the Constitution of Pakistan, 1973 that acknowledges citizens' fundamental right to information. During the 1st Parliamentary Year, the Business of the House witnessed an unprecedented surge accompanied by an unwavering support of the Secretariat. This Report highlights key accomplishments of the House, Committees and the Secretariat. The Report also shed light on new initiatives taken to enhance the performance of the Secretariat and subsequently advance the gains of democracy in the province. I take this opportunity to acknowledge the contributions of various branches of the Secretariat specifically the Research Center for its painstaking efforts towards compilation of this Report. The Report is based on the official data provided by various wings of the Provincial Assembly Secretariat. Zealous efforts of the Assembly officials and in particular the special contribution from Research Officer Mr. Hayatullah Noorzai, has helped us to ensure accuracy of information in this.

TAHIR SHAH KAKAR
Secretary/Patron-in-Chief.
